

MINUTES OF THE BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer  
Clerk of the Board of Supervisors  
383 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

Director of Public Works  
Director of Planning

At its meeting held December 16, 2003, the Board took the following action:

117-B

Supervisor Antonovich made the following statement:

“Upon application the County’s Department of Public Works will issue a permit to allow for a semi-circular driveway for a single-family residence. The Zoning Ordinance includes a provision which, in certain circumstances, prohibits the parking of vehicles on semi-circular driveways. The Zoning Ordinance provision seems illogical given that the intent of the driveway is as a space for the parking of vehicles. Additionally, larger driveways, like semi-circular driveways, accommodate substantial off-street parking, thereby freeing up space for visitor parking within the rights-of-way.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Knabe, unanimously carried, the Directors of Public Works and Planning were instructed to:

1. Identify conflicting requirements about semi-circular driveways for a single-family residence;
2. Develop recommendations for eliminating the inconsistencies; and
3. Report back to the Board within sixty days.
